Now it's time to discuss  
KIMBERLY FINE SCHEMA  
issue #11 "The Charlie  
Caper"

Dear Archimedes,

You seem to be the only  
character in this issue who  
that actually knows what is  
going on. So I'm writing to you.  
I'm extremely confused about  
Kimberly family even I know who  
his mother is and his father is  
Tobias. But then I find out who  
Tobias's father is and Tobias's  
grandfather grandfather standing  
but then I learn about Achai  
who is also his grandfather. So  
Tobias and standing are both  
great grandfathers of Kimberley  
who is the father of Kimberley  
mother. I'm not sure if I get all  
of that correct. And I'm also not  
sure if Tobias is Kimberley mother's  
grandfather or what. So how  
confused I am. I appreciate your  
time in writing this letter.

John Everett (age 11)  
in Texas, USA

I not how all of this could  
easily be confusing to you. Can  
you give me the full list of  
Kimberley relatives up to standing.  
The father of Kimberley is Tobias.  
Tobias's father is Tobias. Tobias's  
father is Tobias followed by  
Achai is his mother Jacoba is  
the first and only female  
guardian, and daughter of  
Thunderhawk. Thunderhawk's  
father was Imperator, who was  
the child of Igniter. Tobias is  
the father of Igniter and the  
son of Standing. Well, that's the  
family tree in a nutshell. Hope  
it is clear for you now, John.

Your faithful of letters,

You guys have done a great  
job on Kimberley. I love the art  
and the story goes better every  
time. Let's talk about issue #12  
now. I think I'm beginning to  
like John the character. Why

well? Please don't let him leave  
I'm really going to miss Champ.  
I'm very interested in what's  
going to happen to him now that  
he's back home and has to face  
all the responsibilities that  
being a prince in the New Realm  
holds. Kimberley is beginning to  
show just how powerful he is.  
Hang up and get him back on  
the floating island. I can't wait  
to see what happens when he  
meets his friends again and what  
his father will do. Just a suggestion.  
See Kimberley more, more  
involved in his life. He needs  
her. There's a question. Are you  
going to tell us more of Achai's  
I would really like to know some  
more. Well it's time for me to  
go now. Kimberley whatever  
happens stay cool!

Alexandra Williams Guller

We will definitely take  
note of your suggestions. Not  
only I am sure that Kimberley  
mother will appear again and  
play an important role in his  
future. As for more Achai,  
it was discussed in issue #10  
and if you continue reading in  
the future, I am sure all of your  
questions will be answered.

Your Kimberley

Top Bad Ball drawings  
for this month! What another  
jam-packed issue of Kimberley  
delivered in paper comic form!  
It didn't even read like a month  
had passed by and I already get  
my next issue of Kimberley-  
Champ is a prince! Now they  
wait. I would have never  
thought of Champ being one  
they you guys are full of surprises.  
When? When? Tobias is really a  
prince living with who knows in  
cloudy mountains when nobody is  
around. I'm glad to see that the  
rest of The Champs are recover-  
ing fast. Of course I know they  
would but I'm still glad that  
they are getting better. I am

you all a get well card to show  
you guys up. Of course, by the  
time you read this you will all be  
better and better some more.  
Champ you have to understand  
that you cannot run away from  
your responsibilities. Besides,  
Prince Champy of the New Realm  
needs a lot better than just  
"Champ the money hat".

Good the cover. Especially  
the middle one with John and  
Kimberley. Everything ready for  
action. Great love that. Great  
job too. You make your great-  
est characters great. Well that's  
all the good for this month. Keep  
up the good work and I will see  
you all next month.

Kathleen "Kaz" D. Rogers

Well, Kaz, all of The  
Champs are grateful for the "get  
well" card. Very thoughtful of  
you. They are all recovering  
as you can see in the latest  
issue. We are glad that you  
enjoy the comic so much and  
you should continue reading to  
find out what happens to all of  
your favorite characters. Good  
luck on the rest of your studies!

**So until next  
month,  
stay cool!**

Anyway, the following is a  
funny little sketch of Kimberley  
by a Thunderhawk student by  
John Valentino.
